

# Delta-Q Industrial Battery Chargers

*Durable, efficient chargers built for reliability and charging performance*

- Optimized charge profiles for battery brands and types ensures improved battery life and performance.
- All Delta-Q chargers are IP66 sealed and tested to automotive standards for long service lives.

## IC Series Battery Chargers

- Change charge profiles with touch of a button
- USB host port for data download / software update
- AC/DC cables are field-replaceable
- Dimensions: 9.9 x 7.3 x 3.1" (25.2 x 18.6 x 8.0 cm)

| Distributor Part no. | Delta-Q  | Product Description   | Voltage | Current |
|----------------------|----------|-----------------------|---------|---------|
| 4700.044.192s        | 940-0001 | 24V IC650 Base (650W) | 24 V    | 27.1 A  |
| 4701.044.192s        | 940-0002 | 36V IC650 Base (650W) | 36 V    | 18.1 A  |
| 4702.044.192s        | 940-0003 | 48V IC650 Base (650W) | 48 V    | 13.5 A  |
| 4703.044.192s        | 940-0004 | 24V IC650 COMM (650W) | 24 V    | 27.1 A  |
| 4704.044.192s        | 940-0005 | 36V IC650 COMM (650W) | 36 V    | 18.1 A  |
| 4705.044.192s        | 940-0006 | 48V IC650 COMM (650W) | 48 V    | 13.5 A  |

## QuiQ Series Battery Chargers

- Multi-color LED indicator for charging status and fault/error
- Integrated charge cycle and event tracking
- Dimensions: 11 x 9.7 x 4.3" (28.0 x 24.6 x 11.0 cm)

| Distributor Part no. | Delta-Q Part | Product Description                                  | Voltage | Current |
|----------------------|--------------|--|---------|---------|
| 4706.044.192s        | 914-4800-01  | QuiQ 1500 (1200W @ 110VAC / 1500W @ 208/230/240 VAC) | 48 V    | 18 A    |
| 4707.044.192s        | 912-2400     | QuiQ 1000 standard (695W)                            | 24 V    | 25 A    |
| 4708.044.192s        | 912-3600     | QuiQ 1000 standard (875W)                            | 36 V    | 21 A    |
| 4709.044.192s        | 912-4800     | QuiQ 1000 standard (1000W)                           | 48 V    | 18 A    |
| 4710.044.192s        | 912-7200     | QuiQ 1000 standard (1000W)                           | 72 V    | 12 A    |
| 4711.044.192s        | 912-2400-03  | 24V QuiQ w/remote LED (695W)                         | 24 V    | 25 A    |
| 4712.044.192s        | 912-3600-D1  | 36V QuiQ w/remote LED (875W)                         | 36 V    | 21 A    |
| 4713.044.192s        | 912-4800-D1  | 48V QuiQ w/remote LED (1000W)                        | 48 V    | 18 A    |
| 4714.044.192s        | 912-7200-D1  | 72V QuiQ w/remote LED (1000W)                        | 72 V    | 12 A    |

## Chargers for Scissor Lifts

- Fits the exact cabling, installation points and output power for 24V scissor lifts.
- All equipped with charge profile (#17) suitable for charging wet, AGM or gel.

| Distributor Part no. | Delta-Q Part no. | Product Description  | Voltage | Current |
|----------------------|------------------|--|---------|---------|
| 4715.044.192s        | 940-0020         | IC650 Genie / Skyjack AWP aftermarket kit w/o interlock (650 W) Replaces Genie part no. 105739 and Skyjack parts 161827/161828 | 24 V    | 27.1 A  |
| 4716.044.192s        | 940-0021         | IC650 Genie / Skyjack AWP aftermarket kit w/ interlock (650 W) Replaces Genie part no. 105739 and Skyjack parts 161827/161828  | 24 V    | 27.1 A  |
| 4717.044.192s        | 912-2400-16      | QuiQ JLG 24V aftermarket Replaces JL1001112111 / JL400238 24V Charger  | 24 V    | 25 A    |

## IC Series Cabling

- IC Series shipped without cables for flexibility
- Field replaceable.
- 'IP66' AC cords are sealed, locking for on-board durability

| Distributor Part no. | Delta-Q  | Product Description                            |
|----------------------|----------|--|
| 4718.035.192s        | 475-0349 | AC CORD 2M 16AWG IP66 IEC 320 NEMA 5-15        |
| 4719.035.192s        | 475-0406 | AC CORD 3M 16AWG IP66 IEC 320 NEMA 5-15        |
| 4720.035.192s        | 475-0350 | AC CORD 2M 16AWG IP66 IEC 320 CEE 7/7 (SCHUKO) |
| 4721.035.192s        | 475-0351 | DC HARNESS 1.8M 3/8" RING TERM W/BTS W/ILOCK   |
| 4722.035.192s        | 475-0352 | DC HARNESS 1M 3/8" RING TERM W/2-PIN ILOCK     |
| 4723.035.192s        | 475-0409 | DC HARNESS 2.44M W/APP SB50 RED                |

## Accessories

| Distributor Part no. | Delta-Q     | Product Description  |
|----------------------|-------------|--|
| 4724.035.192s        | 475-0357    | SIG HARNESS 1.8M ILOCK W/3.35M REMOTE LED                      |
| 4725.035.192s        | 475-0359    | SIG HARNESS 1.8M ISOLATED BTS/REMOTE LED W/0.3M 10 CCT PIGTAIL |
| 4726.035.192s        | 900-0058    | REMOTE LED 3M SHIELDED BARE WIRES                              |
| 4727.035.192s        | 900-0061    | REMOTE LED LABEL (PACK OF 10)                                  |
| 4728.035.192s        | 900-0059    | ISOLATED TEMP SENSOR 140MM BARE WIRES                          |
| 4729.035.192s        | 900-0089-02 | QuiQ PROGRAMMER CT KIT W/ CHARGE TRACKING                      |
| 4730.035.192s        | 900-0057    | BLACK QuiQ CHARGER HANDLE (PACK OF 10)                         |
